Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Arabia Mountain Bridge Improvements in fiscal year 2025. The entity to receive funding for this project is Dekalb County Recreation, Park and Cultural Affairs, located at 1300 Commerce Drive Decatur, GA 30030.

The funding would be used for making improvements to two of the bridges located within Davidson Arabia Mountain Nature Preserve. The project is an appropriate use of taxpayer funds because will allow for the public to have continued use of the miles of trails these bridges provide access to while providing updated structural integrity of the bridges themselves.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
