Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for MARTA Kensington MARTA Station Shared Use Path and Road Diet project in fiscal year 2025. The entity to receive funding for this project is DeKalb County located at 3465 Kensington Rd. Decatur, GA 30032.

The funding would be used to construct a shared - use path along four roadway segments bordering the Kensington MARTA Station in Dekalb County. The project is an appropriate use of taxpayer funds because the project would provide increased infrastructure to support pedestrian and cyclist safety.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

**Member of Congress**
