Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Stone Mountain Medlock Park Improvements in fiscal year 2025. The entity to receive funding for this project is the City of Stone Mountain, located at 735 Ridge Ave, Stone Mountain, GA 30083.

The funding would be used for critically needed infrastructure upgrades, including improved parking, erosion control and drainage, allowing it to be better accessed and utilized year-round. The project is an appropriate use of taxpayer funds because this funding will help Medlock Park become better utilized by the community. The Park already has a number of great amenities for all ages, but the infrastructure hurdles, especially the lack of paved parking, results in the park being underutilized to it's full potential.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

**Member of Congress**
