Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Newton County Sidewalk Streetscape Improvement Project in fiscal year 2025. The entity to receive funding for this project is Newton County, located at 1124 Clark Street, Covington, GA 30014.

The funding would be used for to construct and rehabilitate sidewalks, particularly in areas with high pedestrian traffic but no existing pathways. The project is an appropriate use of taxpayer funds because it would drastically reduce the likelihood of accidents and enhancing the overall quality of life and safety of our residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
