Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lake Rockaway Stormwater Infrastructure Rehabilitation Project in fiscal year 2025. The entity to receive funding for this project is Rockdale County Administration, located at 958 Milstead Ave Conyers, GA 30012

The funding would be used to rehabilitate stormwater infrastructure . The project is an appropriate use of taxpayer funds because it will vitalize the community through opening roads that have been closed since 2010 allowing vehicles and pedestrians a safer commute to the community store, providing safe and efficient bus routes for school buses, and allowing residents to congregate around Lake Rockaway through recreational activities.

The project has a Federal nexus because the funding provided is for purposes authorized by Clean water/wastewater projects: Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

**Member of Congress**
