Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Brookhaven Police Department Public Safety Portable Radio Replacement in Fiscal Year 2027. The entity to receive funding for this project is the City of Brookhaven, GA, located at 4001 Peachtree Road Brookhaven, GA 30319.

The funding would be used to replace the Brookhaven Police Department's aging and end-of-life portable radios with new, interoperable, and resilient public safety radios. The project is an appropriate use of taxpayer funds because the new radios will ensure reliable officer communications, compliance with the March 2023 Information and Communications Technology Functional Guidance, and seamless coordination with other agencies during routine operations and major incidents.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and that no one in my immediate family has any financial interest in it.

Sincerely,

Member of Congress
