Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the County Line Park Renovations project in fiscal year 2024. The entity to receive funding for this project is the DeKalb County Department of Recreation, Parks and Cultural Affairs, located at 1950 W Exchange Place # 4, Tucker, GA 30084. The funding will be used to replace existing basketball courts, install a covering over the basketball courts, replace the playground and pavilion, and create walking trails as well as a restroom and concession building.

The project is an appropriate use of taxpayer funds because the County Line Park Renovations project will expand the park site for recreation. The replacement and covering the existing basketball courts will allow for extended play. The funds would also allow for the replacement of a damaged playground and pavilion and the addition of walking trails, pavilions and restroom/concession building which will serve the growing Ellenwood Community and region.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Henry C. "Hank" Johnson, Jr.
Member of Congress
