Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Honey and Scott Creek Pump Stations and Force Mains in fiscal year 2024. The entity to receive funding for this project is Rockdale County Board of Commissioners, located at 958 Milstead Avenue NE, Conyers, GA 30012.

The funding would be used to decommission and replace two existing package wastewater treatment plants with two lift stations that will direct wastewater to the new 3 MGD Snapping Shoals Wastewater Treatment Plant. (2 lift stations and approximately 37,000 feet of 6" and 8" ductile iron pipe). The project is an appropriate use of taxpayer funds because this project will replace facilities have reached the end of their useful life as a result are having an adverse effect on over 5000 residents.

The project has a Federal nexus because the funding provided is for purposes

authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
