Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Pleasantdale Park Phase II in Fiscal Year 2027. The entity to receive funding for this project is DeKalb County, GA Department of Recreation, Parks, and Cultural Affairs, located at 1300 Commerce Drive, Decatur, GA 30034.

The funding would be used to support construction of a new multi-use building at Pleasantdale Park, including site preparation and installation of concession, restroom, and support spaces identified in the project plans. It is a valuable use of taxpayer funds because it invests in durable public infrastructure that will improve the park's functionality, expand access to essential visitor amenities, and support year-round recreational and community use for residents and visitors alike.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and that no one in my immediate family has any financial interest in it.

Sincerely,

Member of Congress
