Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for River Street Water and Sewer improvements in fiscal year 2024. The entity to receive funding for this project is Rockdale County Board of Commissioners, located at 958 Milstead Avenue NE, Conyers, GA 30012.

The funding would be used to replace approximately 2100 linear feet of 6" PVC water main to an 8" ductile iron water main. The project is an appropriate use of taxpayer funds because this project replaces facilities that have reached the end of their useful life as a result are having an adverse effect on over 75 residents..

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
