Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Rowland Part Construction in fiscal year 2026. The entity to receive funding for this project is DeKalb County Recreation, Parks and Cultural Affairs, located at 1300 Commerce Drive Decatur, GA 30030

The funding would be used to construct a neighborhood park on vacant County land. The project is an appropriate use of taxpayer funds because the construction of the park would create a diverse park for walking, working out, gardening, and gathering. The 17 community garden plots will provide ample space for learning and teaching the joys of growing food and flowers. The four fitness stations will provide opportunities for a full-body workout, walking trails for cardio, benches, a pavilion, and a grill for gathering.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.
Sincerely, Member of Congress

Sincerely,

MEMBER OF CONGRESS
