Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Salem Lake Pump Station Replacement in fiscal year 2024. The entity to receive funding for this project is Rockdale County Board of Commissioners, located at 958 Milstead Avenue NE, Conyers, GA 30012.

The funding would be used to replace the existing pump station with a new one. The project is an appropriate use of taxpayer funds because this project will further support the TMDL by bringing additional pumping capacity and redundant power supply, which will help the system address overflows and bacteria loads overall..

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
