Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Stone Mountain Lawn on Main in Fiscal Year 2027. The entity to receive funding for this project is the City of Stone Mountain, GA located at 875 Main Street, Stone Mountain, GA 30083.

The funding would be used for Phase I infrastructure improvements needed to advance The Lawn on Main, a community-supported project designed to drive economic revitalization, strengthen public space, and improve downtown accessibility. This is a valuable use of taxpayer funds because it invests in long-term public infrastructure that will increase foot traffic for local businesses, expand opportunities for community programming and tourism, and catalyze sustained economic growth in a historic small downtown. By supporting foundational improvements now, this funding will help unlock broader local and regional benefits for residents, entrepreneurs, and visitors alike.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and that no one in my immediate family has any financial interest in it.

Sincerely,

Member of Congress
