The Honorable Rosa DeLauro
Chair
House Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chair DeLauro,

I write to urge that the House Committee on Appropriations award Community Project Funding for the Dried Indian Creek Corridor Protection and Connection Initiative. The entity to receive funding for this project is the City of Oxford, Georgia, located at 110 W Clark St, Oxford, GA 30054.

The project has two primary goals. First, this project would protect the Dried Indian Creek corridor from further degradation through land donations/acquisitions, and conservation easement purchases. Secondly, this project would provide public access to the corridor via an ecologically-sensitive multi-use trail along the land acquired or secured through conservation easements. I certify that neither I nor my immediate family has any financial interest in this project. Thank you for your consideration of this request.

Sincerely,

Henry C. "Hank" Johnson, Jr.
Member of Congress
