The Honorable Rosa DeLauro
Chair
House Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chair DeLauro,

I write to urge that the House Committee on Appropriations award Community Project Funding for the Fairview Road Multi-use Trail. The entity to receive funding for this project is Newton County Transportation, located at 1124 Clark Street, Covington, GA 30014.

The Fairview Road Multi-use trail project consists of the construction of a 2.5 mile pedestrian/bicycle trail along the south side of Fairview Road in Newton County. The trail would be 8-10' wide concrete and connect the communities from I-20 to the Rockdale County line. 95% of Fairview Road has no existing sidewalk. The proposed trail would connect Clements Middle School and Fairview Elementary School with all of the communities along Fairview Road and provide a safe route for children to and from school. I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request.

Sincerely,

Henry C. "Hank" Johnson, Jr.
Member of Congress
