The Honorable Rosa DeLauro
Chair
House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the READY school initiative in Dekalb county for fiscal year 2022. The entity to receive funding for this project is CDF Action, Inc., located at K.D. Moore Family Center 4007 Church Street Clarkston, Georgia 30021. The funding would be used to support the DeKalb County Super 6 District READY School initiative, an early learning and family engagement program, ensures that children 3-and 4- years of age in underserved communities have access to quality, accessible, and free early learning experiences that provide them with the social, emotional, and cognitive skills required for a successful transition to a Georgia Pre-Kindergarten program. CDF Action, in partnership with DeKalb Super District 6 commissioners, will start-up four free READY Schools in apartment communities, serving 160 children and their families and develop a Tool Kit and training to assist other communities interested in the READY School approach. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Henry C. "Hank" Johnson, Jr.
Member of Congress
